

**We are THE...NATIONWIDE...Dry Ice
SHIPPING AND PACKAGING EXPERTS...**

We are a family owned business that has been dedicated to providing our customers with quality, fast and efficient service at the right price since 2005. We take pride in being able to cut dry ice **ACCURATELY** and to your **CUSTOMIZED** specifications so as to ensure proper cooling of your packaged goods throughout the shipping process. We have a **FREEZER WAREHOUSE** to **RECEIVE, STORE AND EXPEDITE** your goods to your customers.

We will also educate and assist our customers with their order needs to ensure that all safety precautions are made relative to the handling/storage and use of dry ice. In addition we will partner with container manufacturers and shipping providers to assist all levels of customers with the shipping of their products and/or delivery of their goods. We fulfill orders for both commercial and private customers on short notice
